# Risk Mitigation

- ✓ User involvement throughout the process
- ✓ Emphasis on rigorous testing and training

# SSF Support to CONOPs

**Goal:** Provide the Army maximum logistics flexibility in support of contingency operations and preserve the benefits and momentum of SSF MS 3

## Overarching Principles:

- ▶ Support the Warfighter
- ▶ Continue SSF momentum
- ▶ Minimal impact to soldiers
- ▶ Avoid major changes to pre-deployment procedures

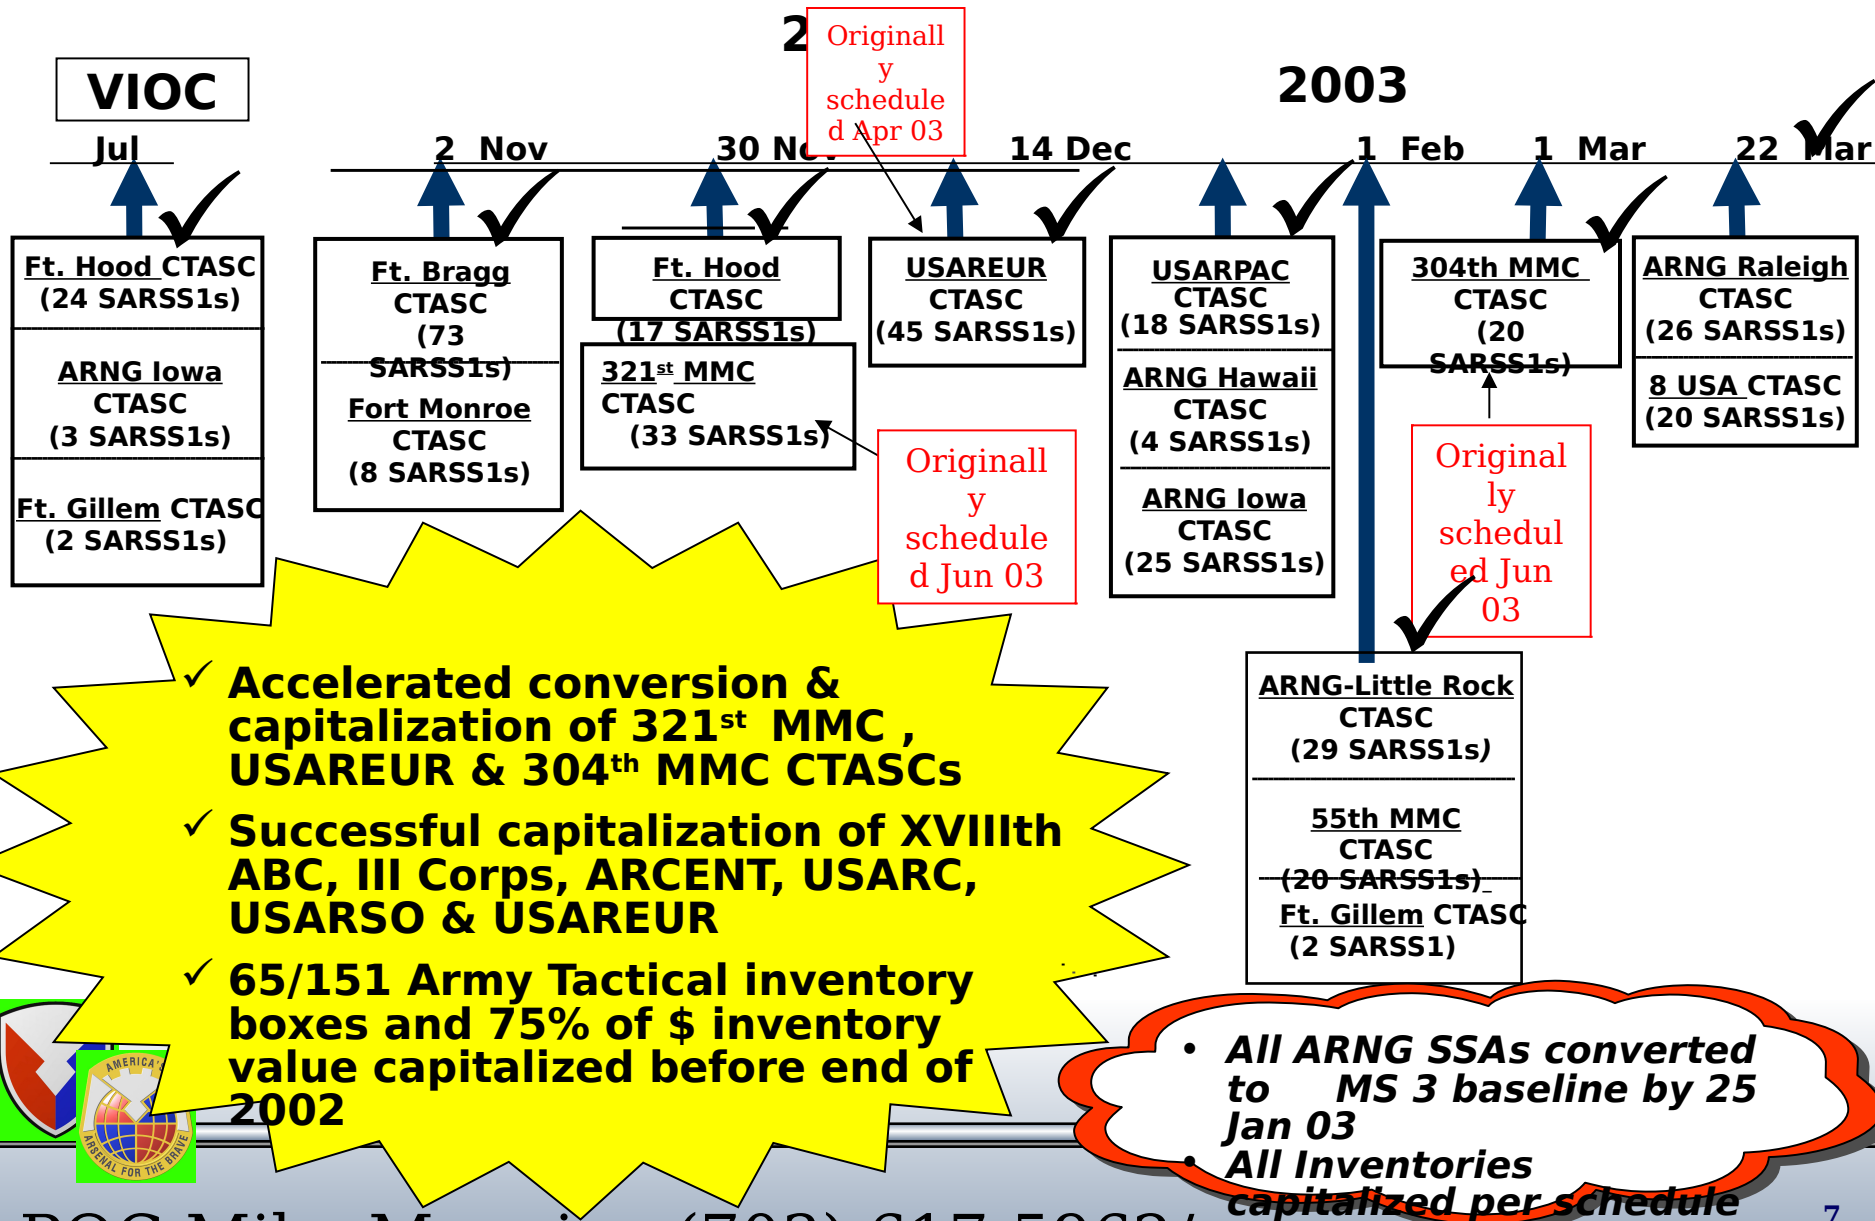

**Strategy:** Accelerated SSF MS 3 capitalization for potential deployers
